

North Lincolnshire Green Energy Park Limited

Section 47(6) Planning Act 2008 – North Lincolnshire Green Energy Park
Notice of Publication of Statement of Community Consultation

North Lincolnshire Green Energy Park Limited of Regents Court, Princess Street, Hull, East Yorkshire, UK, HU2 8BA (the "Applicant") has placed on deposit for inspection (free of charge) at the location listed below a Statement of Community Consultation (SoCC) in accordance with section 47(6) of the Planning Act 2008 (the "Act"). This is for the development of the North Lincolnshire Green Energy Park (the "Scheme").

The Scheme is for the construction, operation, maintenance and de-commissioning of an energy recovery facility together with associated development at land within and to the south of Flixborough Industrial Estate, to the west of Scunthorpe, North Lincolnshire. The application land encompasses an area within and adjacent to Flixborough Port (RMS Trent Ports) on the east bank of the River Trent.

As the Scheme qualifies as a Nationally Significant Infrastructure Project (NSIP) due to its generating capacity exceeding 50 MW, the Applicant will apply for a Development Consent Order (DCO) from the Secretary of State for Business, Energy and Industrial Strategy under the Act.

Before the Application is submitted, the Applicant has a duty to consult the local community under section 47 of the Planning Act 2008 in accordance with its SoCC. The SoCC explains how the Applicant will be consulting the local community about the proposed Application. The Applicant is also required to produce a Consultation Report detailing how the public's views have been taken into consideration and how the consultation requirements of the Act have been complied with.

The Applicant has produced a SoCC in respect of the proposed Application, which can be viewed free of charge on the project website from 3 June 2021 until 25 July 2021. To view the SoCC, please go to the following page on our website:

www.northlincolnshiregreenenergypark.co.uk/your-views/

Details of how the consultation for the proposed Application will be carried out, including a virtual exhibition, consultation events and how to get involved, are set out in the SoCC. The consultation on the Scheme will take place between **14 June 2021 and 11.59pm on 25 July 2021**.

The Scheme is an Environmental Impact Assessment (EIA) development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017. The Applicant is, therefore, required to carry out an EIA and submit an Environmental Statement with the proposed Application containing information about the likely significant effects of the Scheme on the environment. Information currently available about the likely significant environmental impacts of the Scheme will be set out in a Preliminary Environmental Information Report (PEIR) that will form part of the consultation documents.

As stated in the SoCC, the PEIR will be available on the project website to view and comment on from the start of the consultation period for the Scheme on 14 June 2021. To view the PEIR from this date, please visit the following page on the website:
