

Section 48 - Planning Act 2008

Regulation 4 Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (as amended)

North Lincolnshire Green Energy Park

Notice publicising a proposed application for a Development Consent Order

Notice is hereby given that **North Lincolnshire Green Energy Park Limited** of Regents Court, Princess Street, Hull, East Yorkshire, UK, HU2 8BA (the "Applicant") proposes to make an application to the Secretary of State for Business, Energy and Industrial Strategy under Section 37 of the Planning Act 2008 for a Development Consent Order (the "Application"). The Applicant intends to make the Application in Autumn 2021.

The Application is for the proposed **North Lincolnshire Green Energy Park** (the "Scheme") on land within and to the south of Flixborough Industrial Estate, to the north west of Scunthorpe, North Lincolnshire. The application land encompasses an area within and adjacent to Flixborough Port (RMS Trent Ports) on the east bank of the River Trent (the "Site").

The Scheme would, amongst other things, authorise:

- an energy recovery facility (ERF), including:
 - switch yard
 - a water treatment facility
- a carbon dioxide (CO₂) capture, storage and utilisation plant
- a bottom ash and flue gas residue handling and treatment facility (RHTF)
- a concrete block manufacturing plant (CBMP)
- a plastic recycling facility (PRF)
- an electric vehicle (EV) and hydrogen (H₂) re-fuelling station
- a hydrogen and natural gas above ground installation (AGI)
- a hydrogen production and storage facility
- battery storage
- new railway works including sidings at Dragonby, re-instatement of the spur and construction of a new railhead with sidings south of Flixborough Wharf
- a new access road between Stather Road and the B1216
- gatehouse and visitor centre
- district heating and private wire networks (DHPWN)
- an electrical grid connection
- utilities
- new public rights of way and cycle ways
- SuDs and flood defence

The Scheme qualifies as a Nationally Significant Infrastructure Project (NSIP) and, due to its generating capacity exceeding 50 MW, will require a Development Consent Order (DCO) from the Secretary of State for Business, Energy and Industrial Strategy.

The Scheme is an Environmental Impact Assessment development ("EIA development"), as defined by The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 and an Environmental Statement will be submitted as part of the Application. A Preliminary Environmental Information Report (PEIR) forms part of the consultation material and the Applicant will be making the PEIR available during the consultation period.

Consultation on the proposals will take place from **14 June 2021 to 25 July 2021**.

You can find out more about the Scheme by:

- Viewing a virtual exhibition online. The virtual exhibition will be accessible at www.northlincolnshiregreenenergypark.co.uk/your-views/ between 14 June and 25 July 2021
- Attending a series of webinars about the proposals online. These will include presentations on the Scheme and offer the opportunity to ask questions. The dates of the webinars and details of how to register will be made available during the consultation period at: www.northlincolnshiregreenenergypark.co.uk/your-views/
- Booking an appointment to talk about the proposals by Freephone using the contact details below. This will offer the opportunity to speak with members of the Applicant's technical team about specific aspects of our proposals

The Applicant will also publish consultation materials including a consultation booklet, supplementary booklet summarising our EIA, the PEIR, a Non-Technical Summary of the PEIR and a Statement of Community Consultation (SoCC). These will be available online, free of charge, from **14 June 2021 to 25 July 2021** at www.northlincolnshiregreenenergypark.co.uk/your-views/. Details of each webinar and how to register to take part will be published on the same website.

Copies of the consultation materials will also be available for inspection, free of charge, during the consultation period at locations in the vicinity of the Scheme, listed below.

**the opening hours of the locations listed above are at the discretion of those in control of the building and could vary to the times set out in this notice. The organisations and locations providing access to documentation as part of this consultation are not in any way affiliated with the Scheme or the Applicant and are an independent neutral party to the application process.*

***As a result of the ongoing COVID-19 pandemic, access to the above locations may be restricted and/or limited. Please visit www.northlincolnshiregreenenergypark.co.uk/your-views/ to check the most up to date information on all locations and the arrangements in place for inspecting the documents. Alternatively, you can contact the Applicant using the details below.*

Copies of the consultation materials may be requested, during the consultation period, from the Applicant using the e-mail address, postal address or freephone number provided below.

Paper copies of the consultation booklet, response form and SoCC will be supplied free of charge. A USB of the consultation materials will be supplied free of charge. A charge of £0.35 per page will be applied for a paper copy of the PEIR, including its Non-Technical Summary and Appendices.

Any person may comment on the proposals or otherwise respond to this publicity. Responses must be received between **14 June 2021 and before 11:59pm on 25 July 2021**. A consultation questionnaire is available as part of the consultation and the consultation website will allow the submission of electronic consultation responses. When providing your response, please provide this in writing, include your name and address and state the grounds for your response or representation or, if you would prefer your comments to be anonymous, your postcode only. Please also confirm the nature of your interest in the scheme. Please supply any response to:

- **By post:** North Lincolnshire Green Energy Park Consultation, FREEPOST reference RTRB-LUJJ-AGBY, c/o SEC Newgate UK, Sky Light City Tower, 50 Basinghall Street, London, EC2V 5DE
- **Online:** www.northlincolnshiregreenenergy.co.uk
- **By email:** info@northlincolnshiregreenenergypark.co.uk

If you have any queries about the consultation, consultation materials, documents, plans and maps please call the Applicant using the following freephone number: 0800 130 3353.

Responses must be received in writing no later than 11:59pm on 25 July 2021.

The Applicant and any appointed agent of the Applicant will consider and have regard to all responses received by the above deadline when finalising the Application. Personal details will be held securely by the Applicant and any appointed agent of the Applicant, in accordance with the relevant data protection legislation, but please be aware that responses will be used in connection with the Application and may be made public.

If you would like further information about this notice, the consultation or the scheme, please contact the Applicant by using one of the contact methods included above.
